Terms and Conditions

Our main priority at Humphrey & Bo is the welfare of our dogs and to maintain client satisfaction. We will endeavour to give you and your dog the best service we can. We welcome feedback, good or bad, from all our clients so please do not hesitate to contact us if you do not agree with any of the following terms and conditions (which apply, as appropriate, to all services we provide).

All dogs must undergo a 'trial assessment' prior to their stay in order for us to assess their energy levels, social behaviour and to check for any signs of aggression or unsociable behaviour, we require all our clients to fill out an Agreement Form (one per dog) which will help us in our assessment. It is important that the information you provide is correct and complete (and does not omit vital 'not so good' points about your dog's behaviour).

The Agreement Form will be kept on file for repeat services therefore please advise us of any relevant changes to your circumstances via writing or email. By completing an Agreement Form you will be expressly confirming your agreement to these terms and conditions and that we may rely on the information provided in it (as subsequently updated by you, if applicable).

We will not share your details with other organisations however we may routinely provide information to your vet out of professional courtesy. Please advise us if you prefer us not to do so.

From time to time we will contact you with news, offers and service updates, please let us know if you do not wish to receive such information. A copy of our privacy policy can be found on our website (www.humphreyandbo.com).

Health and Behaviour

All dogs must be fully vaccinated to include parvovirus, leptospirosis, hepatitis, distemper and kennel cough. We also require that your dogs are treated for tape/lung worm, fleas and ticks. Please advise in writing/email of any relevant veterinary conditions your dog may have and any medication being taken. Please note we cannot accept a dog if they do not have up to date vaccinations, please also provide a copy which you can get from your vet.

Please note we cannot board any dogs that have a serious injury, stitches, need to wear a cone or need to be separated from other dogs due to health issues. If your dog arrives injured, in need of medical care (which has not already been discussed and agreed upon), has diarrhoea or sickness or has any kind of virus that is potentially infectious or untreated we reserve the right to turn your dog away without reimbursement or credit for the duration of the booking.

We require all male dogs to be neutered unless under 8 months of age. We do not accept dogs that have been chemically neutered. Dogs under 8 months of age that are displaying sexual behaviour including marking must be neutered.

We do not accept bitches in season under any circumstances and request that owners inform us immediately if they suspect their dog may be coming into season. We reserve the right to return any dog that is in season and payment will still be taken. Any payment already made will be non-refundable for the duration of the stay booked.

Please advise us of any previous aggression your dog has shown towards people and/or other dogs and inform us of any medication or circumstances that may have recently changed your dog's behavioural pattern. Please advise us if your dog has had any issues with food or toy possession, running off, constant barking, digging, destructive behaviour (including chewing), problems with house training etc this is extremely important in helping us to assess the level of care that your dog needs and whether or not training is necessary.

Service Provision

Please be aware, we are a multi dog facility therefore your dog will be housed and socialised with many different breeds, sizes and energy levels, please notify us if you feel your dog may be at all nervous or defensive in this environment. Dogs that are new to day care/boarding may experience higher levels of physical and mental activity than they are used to and therefore may come home extremely tired. In order to gauge the right level of activity for your dog it is important for us to receive feedback from you.

Boarding dogs are separated into small groups of 4 to 5 dogs per room at night (as most dogs like to sleep near their buddies), however if you would prefer for your dog to have a room by themselves please let us know.

For boarding dogs and puppies that need feeding during the day at the Day Care, owners must provide food with full instructions alternatively we are happy to provide food at a supplementary cost from our own range of brands. Please note a change of brands can result in stomach upsets so if your dog has a sensitive stomach it is advisable to provide us with your own food. For dogs receiving training, you are welcome to bring children to participate however they must be accompanied by an adult.

Transportation

All our vehicles are fitted with crates for our dogs protection however please understand due to the nature of our service, dogs that need transportation will share a crate with other dogs of a similar size and temperament. Each dog will have enough room to sit, lie down and turn around. It is the responsibility of the owner to let us know if your dog gets travel sick, is unsocial in small spaces with other dogs or howls on transportation journeys. From time to time if our normal vehicles are being serviced or in an emergency we may use a staff vehicle to transport your dog, this is rare and you will be advised where possible. You agree, in using our transportation service to cover the cost of any veterinary bills which may occur in the event of a traffic accident or an altercation between dogs.

Security and Emergency

We endeavour to provide a safe and secure environment for all our dogs as far as is reasonably possible. However, please be aware that by the very nature of the services we provide, there are certain risks involved when dogs interact with other dogs, with persons who are strangers to them and in public places. Grooming services also bring particular risks as they involve the use of sharp instruments, such as scissors (so please be sure to tell us in the Agreement Form if your dog is of an especially sensitive or reactive nature).

Please note it is the responsibility of the owner to make sure the collar provided with their dog is secure and tight enough so the dog can not slip out of it. We also require all dogs to wear a tag with the owners telephone number and address details or you are welcome to put our name and number on if you would prefer.

In case of an emergency, you agree we are authorised to seek veterinary care if we deem it necessary, at your own vet or the closest vet available. We will of course endeavour to contact you immediately in the event of an accident. In any event, you agree to accept full responsibility for the cost of all veterinary care and to settle fees directly with the veterinarian involved. If an accident is caused by our neglect we will of course cover any medical bills via our insurance. All costs, fees and expenses incurred because of other accidents will be the responsibility of, and will be covered by, the owner and in any such case you agree to indemnify on demand us against any costs we may agree to incur for the benefit of securing treatment in an emergency.

In the event a dog is abandoned with us we will endeavour to contact you using all contact details provided. We do ask for an alternative contact for this purpose in case you are unable to collect or receive delivery of your dog at the time arranged. Please make sure this person is not travelling with you and preferably lives in Dorset and will be on call if necessary. Abandoned dogs will be handed over to the

local authority dog warden (or other appropriate person or care institution) at which point all further dealings regarding recovery of the dog must be with them. We will be entitled to treat a dog as having been abandoned if it has not been collected from us before 6 pm on the day of collection or, where we are to deliver the dog back to you, if we are unable to return the dog to the nominated address within half an hour after the agreed return time. You shall be solely responsible for any loss, costs, fees and expenses ("Loss") suffered or incurred if a dog is deemed abandoned in accordance with these provisions and you shall indemnify us on demand against any such Loss we may incur as a result.

For our Taxi service from London, if we have arranged to pick up your dog from your premises (this is for regular clients only who use our London day care service) please provide our staff with keys to your property if there is no one available to let us in. Please note your keys will be made available to all members of staff at our London branch (Pets in the City) for pick up and drop off purposes and by providing us with your keys to us you are agreeing to allow us unaccompanied access to your property for the purposes of collecting and delivering your dog from and to it (and, if applicable, carrying out related activities such as towelling down dogs which have become wet or muddy). We perform appropriate background checks on all our staff. Please give us instructions on locking systems and alarm codes. Also please note it is against our policy to collect/leave keys under doormats and in special hidden places or to drop keys back through letter boxes so please do not ask us to do so. This is for your own security and ours.

We will endeavour to preserve the security of all keys entrusted to us. If, however, for any reason your keys become lost or stolen whilst in our possession we will contact you as soon as possible after becoming aware of the fact. In any such case, our liability to you will be limited to the reasonable cost (maximum amount of £500 in total) of replacing the relevant locks at the earliest convenience.

Working Hours and Bookings

Please respect our working hours which are between 8am – 6pm every day. Phone calls, emails and texts may not be answered before or after these times. Drop off times are between 8 – 10 am and pick up times are between 4 – 6 pm.

All bookings must be made in person, via the telephone or via email. Texts, Whats App and messages left on the answer machine will not be counted as a confirmed booking. Please try to give us 48 hours' notice on all Day Care services as we will need time to arrange staffing schedules. It will not always be possible to fit you in at the last minute but we will try our best to accommodate you.

We require a non-refundable deposit of 50 % to be paid at the point of booking to reserve your place for boarding (we cannot hold a booking without a trial assessment or a deposit payment). The remaining balance is to be paid 14 days prior to the first day of boarding and is also non-refundable. If a client cancels boarding after this time the full balance of the booking will still be charged. We accept credit/debit cards over the phone, cash or cheques made payable to our holding company Pets in the City Limited. Please note if a booking is cancelled we cannot offer to transfer the dates or offer a credit.

Cancellations for daycare must be made at least 48 hours (working hours only this does not include weekends or bank holidays) before the scheduled provision of service otherwise the full-service fee will be charged.

Prices are as separately advertised and may be altered from time to time without notice. Prices quoted are inclusive of VAT. A £15 supplement for each dog per day will be charged over Christmas, Boxing Day, New Year, Easter, Valentines and all bank holiday periods, we are happy to provide you with a quote and full breakdown of costs if you require.
